SUMMARY

Enthusiastic learner seeking opportunities to contribute, apply knowledge, strengthen skills, and grow professionally while expanding technical expertise.

EDUCATION

Dayananda Sagar Academy of Technology & Management

2025 - 2027

Masters of Computer Application - CGPA - 8.75

Bangalore, India

GOVT. MOHAN K SHETTY PU COLLEGE

2020 - APR 2022

PCMB - Percentage - 65

Honavar, India

S.K.P. Composite Junior College

2020

SSLC - Percentage - 82.72

Areangadi, Honavar, India

TECHNICAL SKILLS

Languages: Python, Java, HTML, CSS

Core Concepts: Data Structures & Algorithms, OOP

Database Management: MySQL

Developer Tools: VS Code, IntelliJ, PyCharm

Version Control Tool: GitHub

PROJECTS

Student Management System | HTML, CSS, JavaScript, MySQL

2025

- Built a full-stack student management web application to streamline admissions, student records, attendance, exam results, and timetable management. Developed secure login/authentication for students and admins with personalized dashboards displaying admission details, profile data, and academic records.
- Designed responsive and user-friendly interfaces using HTML, CSS, and JavaScript for seamless access across desktop and mobile devices.
- Implemented dynamic features such as class-wise subject marks display, automated registration ID generation, and real-time data retrieval.

USN Based Online Voting System | Java, Node.js, HTML, CSS, JavaScript

2026

- Developed a secure online voting application using USN-based authentication to ensure only eligible students could access and cast votes. Implemented voter registration, candidate management, vote casting, and result generation modules with real-time database updates.
- Designed an intuitive user interface for voters and administrators, enabling smooth navigation and efficient election management. Integrated MySQL database using JDBC for storing voter details, candidate records, election data, and vote counts securely.
- Added validations to prevent duplicate voting, maintain vote integrity, and generate accurate final results automatically.

EXTRACURRICULAR AND CERTIFICATIONS

- **Workshop** – Attended CIL Soft Skills workshop sessions focused on communication, teamwork, leadership, problem-solving abilities, etc.
- **Infosys:** Programming using Java (Completed)
